## Activity Aprons

**The Alzheimer's Activity Apron** is especially made for caregivers who want to stimulate brain activity for those in their care with Alzheimer's/Dementia.

Bright colors and textured fabrics provide visual and tactile stimulation for individuals with diminished cognitive function. The activities on the apron allows a regular mental workout using their busy hands and brain.

The secured memory activities allow recall and bonding of simple everyday tasks with an activity toy in the pockets. Buttoning, zipping, and tying activities, for example, help improve motor skills.

### **The activities consist of:**

- Plush toy
- 9" zipper with a large hoop for practice zipping
- A long felt strip with three colorful buttons for counting and touching, or a sponge for squeezing on a long cord.
- 4 pockets with activities in them
- Strip of elastic for pulling,

\*\* The Velcro loop neck will make it easier to get on and off while the long side ties can be wrapped giving more security. The apron is 100% spun ply, 36" side ties; apron size, 26 W" X 32" L; one size fits all. The apron is packaged in a plastic "Belong To" bag with handle for sanitation and storage with an area for person's name. MADE IN US
